

## ARE YOU READY FOR A LIFE-CHANGING OPPORTUNITY?

The mission of Christian Library International is to glorify God by making disciples of prisoners through Bible studies, prayer groups, Bibles, CDs, DVDs and Christian books. In the relatively short time that we've been at it, God has opened the doors to our ministry in 1,600 jails and prisons. We serve those facilities with a nearly all-volunteer force.

Continue reading to learn all the different ways that you can serve the mission field behind bars. It is a life-changing opportunity that will enrich you as you serve. So, open your heart and discover how God can use your talents and resources for His great purpose—to advance the light of Christ in our prisons.

# CLI IS ADVANCING CHRIST'S LIGHT IN PRISONS.

HERE'S HOW YOU CAN HELP.

## CHRISTIAN BOOK DRIVES

Organize a book drive through your local church, Bible study or other Christian group. CLI distributes more than 300,000 donated books and Bibles each year to inmates. We depend on volunteer book drives to meet the growing needs of the prisons we serve.

## SORT, STAMP & PACK BOOKS

If you enjoy volunteering in a team-driven setting, join our volunteer teams at our Raleigh, NC, or Buford, GA, locations to help sort, stamp and pack Bibles and Christian books.

## BIBLE STUDY PROGRAM

If you have a heart for ministering to new Christians, become a volunteer in our Bible Study Program. You'll work one-on-one with inmates in an anonymous setting through our in-depth correspondence courses on topics including: Who is God; Leadership; and Discipleship. Volunteers review and reply to inmate lessons from the comfort of their homes. More than 13,500 inmates have enrolled in these Bible studies.

## LETTER WRITING

This is a unique opportunity to anonymously write inmates one-on-one. To the surprise of many inmates, CLI answers every letter we receive. Our inmate correspondence volunteers let them know someone on the outside cares.

## FINANCIAL PARTNERS

CLI Financial Partners are individuals who feel led to support the ministry through essential monetary contributions, ranging from one-time to monthly gifts, donations to our annual fundraising dinners and legacy giving. These dedicated individuals provide the majority of funding for our ministry. Some CLI Financial Partners also gather groups of friends to share more about CLI prison ministries, partnering and volunteering.
