

## **Texas Hub Director**

**Christian Library International**, a Raleigh, NC based national ministry, is looking for a professional to take charge of all of CLI's Texas Hub. CLI distributes Christian books and Bibles to prison chaplains at 1,600 US prisons and jails. We also have thousands of prison inmates enrolled in CLI Bible studies.

The Texas Hub will collect and distribute Christian books and Bibles to a five state area. Currently, Texas is our largest state with over 160 prisons served. The Hub Director position has fundraising responsibilities plus management of volunteers. This position requires public speaking and public relations expertise. You will be called upon to present the ministry of CLI at local churches, mission festivals and several annual CLI events.

The ultimate goal of these activities is to engage partner churches and individual volunteers. We especially encourage churches to do Christian book drives among their members. This is a full-time position. The starting salary is \$40,000.

The ideal candidate will be a self-starter and have a strong marketing and public speaking background with a desire to work for the Lord. He/she should be well organized, detail minded, computer literate, and have a strong background in Christian ministry, either at a church or a ministry. An MBA and/or MDiv. would be helpful.

CLI is a 22 year old ministry with an excellent reputation in the prison community. Please see the CLI website at [www.cli.world](http://www.cli.world).

To apply, please send a resume to [askaarcli@gmail.com](mailto:askaarcli@gmail.com).
